

# הזדמנות 2022

## אותם אנשים, אותו שדה - מודל קצת שונה

Dear Board Members,  
Our conference was a huge success!!!

Around 100 people attended (more than we anticipated) and, most importantly, all the key people whom we hoped would be there did in fact come – from government ministries, the Commission for Equal Rights of Persons with Disabilities, the Authority for National Civic Service, recognized bodies, enrichment organizations and, of course, young adults.

Very important and interesting discussions were held in the breakout rooms. About 70 participants stayed until the end and went back to the plenum two-and-a-half hours after we started, which nowadays is something which cannot be taken for granted.

The videos in which the young adults talk about themselves were the most moving part of the conference. The feedback was amazing (both from you and from dozens of participants who wrote and phoned us. I felt like it was after a family affair). 😊

Here's a small sampling of the feedback I received:

"It was excellent. The videos in which the young adults talk about themselves were very moving and truly incredible. Congratulations on a job well done!" (Reuven Pinsky, the Director of the Authority)

"Today was amazing!! It was professional and at a high level" (the Deputy Director of the Aminadav nonprofit organization)

"It was incredible! I'm really glad that we worked together ❤️. You and the work you do are inspiring" (BEINCO)

"Dearest Hila. Thank you for the conference, which was very interesting and important" (the co-directors of the Gvanim nonprofit organization)

"You won the championship; an outstanding professional and dignified conference" (Enrichment Organizations Forum)

"It was excellent! Impeccably organized and diverse in terms of content and configuration. You spoke so eloquently, in a professional manner that brought us all together! Congratulations on a job well done. (a senior program director at JDC-Israel)

"My dear partner Hila. The conference was amazing, moving and professional. A wonderful, creative and dignified conclusion to a long and meaningful road that we took together. Thank you for everything!! Looking forward to the coming year and to our continued work (a program director at the ELEM nonprofit organization)

In the next few days, I'll work on the products of the discussion groups and we'll decide how to proceed with the process.

- All of the videos obviously belong to us. And should you want to make use of them, please write and let me know and I'll send them to you.

I wish to thank you!

for the videos you sent, for your participation in the conference and your support, for the feedback and warm comments at the end of the conference.

I hope the rest of your week is pleasant and healthy.

Please take care of yourselves.

Hila
